## Health Systems

Peoria City/County Health Department, Tazewell County Health Department, and Woodford County Health Department are collaborating with OSF HealthCare, UnityPoint Health, and Heartland Health Services to provide the COVID-19 vaccine to our residents age 65+. In addition, OSF HealthCare and UnityPoint Health are reaching out to their patients who are 16 and 17 to assist them with being vaccinated with Pfizer, which is the only vaccine currently approved for these ages.

- OSF HealthCare vaccine website, **including age 16+** :<https://www.osfhealthcare.org/covid19/vaccine/>
- If a parent or guardian prefers to be present during vaccination they may visit our Open Scheduling option through our OSF vaccine clinics at this link: [COVID-19 Vaccination | OSF HealthCare](#). This is also where you will find the parental consent forms to treat minors.
- UnityPoint Health vaccine website: <https://www.unitypoint.org/peoria/covid-19-vaccine.aspx>
- Heartland Health Services: Current patient vaccination appointment phone number - (309) 680-7600
- Heartland Health Services: Uninsured residents who need a primary care physician, including vaccinations - (309) 680-7632

## Pharmacies

Select pharmacies throughout Illinois have started taking vaccination appointments, including many in Central Illinois. Use the State's vaccine finder website to locate participating pharmacies and make an appointment.

### **Johnson & Johnson Vaccine Pause Lifted April 23, 2021**

The US Food and Drug Administration and the Centers for Disease Control (CDC) have lifted the recommended pause on Johnson & Johnson (Janssen) COVID-19 vaccine use following a thorough safety review. The CDC Advisory Committee on Immunization Practices conducted a thorough review of the vaccine after reports of six cases of a rare and severe type of blood clot in individuals following administration of the Janssen COVID-19 Vaccine. The Illinois Department of Public Health has informed local health departments that they may resume the use of this vaccine following the FDA and CDC announcement.
